MEMORANDUM FOR: Director, Defense Intelligence Agency

ATTENTION: Chief, Special Activities Office

SUBJECT: Quality of [] Photography

50X1

1. Recent low-level [] photography of Laos.
specifically Missions []

50X1

50X1

[] is considered by photo interpreters of
NPIC to be some of the best quality received since the incep-
tion of the [] program.

2. The forward oblique photography was outstanding.
The scale was large and most suitable for current require-
ments. The sharp resolution and good tonal contrasts were
the most outstanding features of this photography.

3. Continued receipt by NPIC of photography of the
quality described will greatly assist in its exploitation.
